BROTHERHOOD
FOR LIFE

IN WITH THE NEW - WELCOME IOTA CLASS!

The Thetas have been initiated, and with every new initiated pledge class comes the promise of an upcoming group of those who are about to enter. They are on the cusp of learning how important our five core values are to them in their own lives, they are about to see exactly what they are capable of, and they are about to gain a new sense of confidence to make them great assets to our chapter and our university.

Chi Delta is elated to announce that there are currently **19 pledges** in the Iota class going through the pledge process of this past Spring 2022 recruitment cycle. We encourage you to keep an eye out for correspondence with them, as a *new requirement of the pledge process is to interview a past alumni working in their target field or had their same major/minor at their time at Saint Joe's*. Initiation of these members, as well as Court of Honor, will be taking place on Friday, April 1st, 2022. Big shoutout to **Madison Pristera**, current VP of Membership, for running a successful recruitment week, as well as **Kelly Camperson** and **Mac Castellano** for serving as this semester's pledge educators!

Please feel free to reach out if you have any questions or concerns at dana.glavin@sju.edu or (215) 868-2074, *especially if you would like to directly assist members of the Iota class.*

ALUMNI AND INTERNSHIP PANEL ALLSTARS

On Wednesday, February 2nd, 2022, we had the pleasure of hosting *Kali Efstration '21 (Alpha Class)*, *Luke Eisenhardt '20 (Alpha Class)*, and *Andrew John '21 (Gamma Class)* to speak to both current brothers and potential new members for our biannual Alumni/Internship Panel during our recruitment week.

During the event, the three former SJU students told us about their experiences both in Alpha Kappa Psi and in their careers at Lincoln Financial Group, Chatham Financial, and Vanguard, respectively. They provided amazing insight and inspired everyone in attendance! Thank you brothers!
